SUMMARY

Creative and detail-oriented animator with 2 years of experience in the animation industry. Worked on popular children's shows such as Superwish and Hamsters of Hamsterdale, delivering expressive and lively animations while consistently meeting deadlines. Adept at following storyboards, collaborating with teams, and bringing characters to life. In addition to animation, skilled in graphic design with experience in managing design teams, creating brand identities, and handling social media. Passionate about storytelling and visual communication.

WORK EXPERIENCE

ANIMATOR

Nelvana

Toronto, ON

(August 2021 - March 2023)

Contributed to popular children's TV shows such as Superwish (Nominated for a CSA Award for Best Performance in an Animated Program or Series) and Hamsters of Hamsterdale.

Animated dynamic, expressive characters by adhering closely to storyboards and project guidelines, ensuring consistency and quality.

Worked efficiently within tight deadlines, delivering high-quality animation with minimal supervision in a remote environment.

ANIMATION & MOCAP INTERN

Screen Industries Research and Training (S.I.R.T)

Toronto, ON

(May 2020 - August 2020)

Applied motion capture data to Maya rigs using the Human IK tool, ensuring accurate transfer of data.

Corrected and developed motion capture animations using the Time Editor tool.

Created detailed documentation based on research and experimentation with Human IK and Time Editor tools for team knowledge and future reference.

LEAD GRAPHIC DESIGNER

Casabawa and Nobia X-Cessories

Montreal, QC

(Feb 2016 - December 2016)

Supervised and trained two junior graphic designers, receiving weekly reports and returning constructive feedback.

Photographed and edited professional product photos to design pamphlets and catalogs.
